## Festivals and Holy Days

The following are Islamic Festivals. Explain why and how they are celebrated. Two of them are required by Islamic law, make sure you say which ones they are.

Al Hijrah (1 Muharram) \_\_\_\_\_

---

---

---

It was once said by the Prophet that it was the duty of every Muslim, both male & female, to seek knowledge "even as far away as China".

Name some important things that the Muslims were the first to do or discover, and things they invented.

A series of horizontal lines for writing, with a large, diagonal watermark reading "SAMPLE" overlaid across the center.
